

## Task

Please convert a temporal knowledge graph (TKG) quadruple of the form (subject, action, object, the corresponding time of occurrence) into a natural language sentence which is delimited by triple backticks.

Additionally, please **provide a plausible reason** for the event from *two perspectives*: recent historical events or international political relations.

Here are some examples to guide you:

## Demonstration-Background

Quadruple: ('Foreign\_Affairs\_(Italy)', 'Sign\_formal\_agreement',  
'Emma\_Bonino', '2014-01-08')

Answer:

The Foreign Affairs of Italy signed a formal agreement with Emma Bonino on January 8, 2014. **Because** Emma Bonino is a Italy politician and human rights activist.

## Demonstration-Historical-Event

Quadruple: ('South Korea', 'Criticize or denounce',  
'North Korea', '2014-05-13')

Answer:

South Korea strongly criticized North Korea on May 13, 2014. **Because** North Korea accused South Korea on May 11, 2024.
